

### Mathematics

As mathematicians we will be :

- Partitioning 2 and 3 digit numbers.
- Adding and subtracting 2 digit numbers within 100.
- Looking at the inverse relationship between addition and subtraction.
- Using different coins to make the same amount.
- Finding fractions of objects and numbers  $\frac{1}{2}$   $\frac{1}{4}$   $\frac{1}{3}$ .
- Recall and use multiplication and division facts for 2s, 5s and 10s.
- Solving simple problems.
- Describing properties of 2D and 3D shapes
- Reading scales.
- Using standard units of measure. cm, m, g, kg, ml, l

### PE

Our PE lessons will:

- Develop simple hockey and cricket skills.
- Cricket– throwing, catching, bowling, batting
- Hockey– sending , receiving, stick control, travelling , shooting
- Applying skills and tactics in simple games.

### Computing

In our computing lessons we will learn how to:

- Safely explore websites linked to Roald Dahl and growth.
- Compare 2D and stop motion animation.
- To experiment with stop motion animation with figures.
- To work successfully as a team.

### Music

As musicians we will :

- Use our voices expressively.
- To describe sounds using signs and symbols.
- Create musical patterns, rehearse and perform with others.
- Use glockenspiels to play tunes and improvise.

### Science

As scientists we will:

- Observe, record and describe seeds and bulbs.
- Observing and recording with some accuracy changes over time.
- Observe plants in the local environment.
- Conditions needed for germination/growth
- Set up comparative tests to show what plants need to stay healthy.

## Year 2 Summer Term A

### Roald Dahl Plants

### Art

As budding artists we will:

- Show different pattern and texture in our drawings.
- Draw lines of different thickness and use different grades of pencil.
- Study the colour wheel (primary/ secondary colours.)
- Draw and designing plants/flowers in detail
- Design set and props for school production.

### PSHCE

In our PSHCE lessons we will learn about 'Rights and Responsibilities', with a focus upon

- Likes/dislikes.
- Share opinions on things that matter.
- Understand how rules help.
- The needs of others and our responsibilities to meet them.
- Rules/keeping safe.

### Literacy

As writers we will:

- Write a half term recount.
- Write character descriptions of the Enormous Crocodile
- Explore, plan and write own explanation texts based upon the eBook- Does Chocolate grow on trees?
- Listen to, respond, draft, edit and compose poems.
- Proof read work and edit it to make improvements.
- Using synonyms and similes to enhance writing.
- Identify nouns, verbs, adjectives and adverbs within texts.
- Use a range of spelling patterns ( key words, plurals, prefixes and suffixes).

As readers we will:

- Use our phonic skills to read new words.
- Read information texts linked to Roald Dahl and Plants topics.
- Develop our comprehension skills.
- Read a wide range of stories, poetry and non-fiction. books both at home and at school.

### RE

Our RE lessons will cover a range of religious festivals with a focus upon Judaism.

- We will be looking at important people and stories from the Torah and what they mean to Jewish people.

### Geography

As geographers we will:

- Name, locate and identify characteristics of the four countries of the UK.
- Name and locate the capital cities of the UK.
- Study key London locations using text and pictures.
- Examine the major cities of the UK and the Republic of Ireland.
- Name and locate the surrounding seas of the UK.
- Use maps and atlases.
