

Mathematics

As mathematicians we will :

- Partitioning 2 and 3 digit numbers.
- Adding and subtracting 2 digit numbers within 100.
- Using multiplication and division facts for 2s, 5s, 3s and 10s.
- Looking at the inverse relationship between multiplication and division..
- Finding fractions of objects and numbers $\frac{1}{2}$ $\frac{1}{4}$ $\frac{1}{3}$.
- Solving simple one and two step problems, including giving change.
- Using simple coordinates –positional language` and direction.
- Reading scales.
- Using standard units of measure. g, kg, ml, l
- Reading the time to the nearest 15 mins.

PE

Our PE lessons will:

- Develop simple netball skills - passing, attacking , defending and shooting.
- Apply skills and tactics in simple games.
- Explore and develop athletics skills – running over different distances, basic take off and land-

Computing

In our computing lessons we will learn how to:

- Make pictures move
- Use a variety of drawing tools
- Create object based animation
- Use stop motion animation

Music

As musicians we will :

- Sing a range of pirate songs.
- Begin to play the glockenspiel
- Develop call and response
- Begin simple compositions
- Explore rhythmic beats

Art and Design

As artists and designers we will:

- Draw pirates and their ships using different media.
- Use sketchbooks to work out ideas for drawing.
- Experiment with line, shape form and colour.
- Mix a range of secondary colours, shades and tones.
- Work on their own and collaboratively with others.
- Use ICT to create animation (see computing)

Year 2 Summer Term B

Pirates

Design Technology

As budding designers and artists we will:

- Develop design ideas for own pirate flag.
- Select tools to make flags.
- Cut, shape and join fabric
- Use basic sewing techniques.
- Evaluate flag against their design.
- Design and make own pirate ship (homework)

RE

In RE we will:

- Our RE lessons will examine a range of religious festivals. including Eid.
- Read and discuss a range of Bible stories.

Jigsaw—Changing Me

In PSCHE we will:

- Life cycles in nature.
- Growing from young to old.
- The changing me.
- Assertiveness.
- Looking ahead to Year 3.

Literacy

As readers and writers we will:

- Write detailed recounts - holiday, pirate visit, Rising Sun trip.
- Write detailed setting descriptions.
- Explore pirate vocabulary.
- Design a pirate licence.
- Develop character descriptions from pictures.
- Research and record pirate facts.
- Read and perform pirate poems. (similes)
- Write a message in a bottles
- Write pirate party invitations.
- Listen to a range of pirate stories.

Science

As scientists we will:

- Notice that animals, including humans, have offspring which grow into adults.
- Find out about and describe the basic needs of animals, including humans, for survival (water, food and air)
- Describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.
- Collect data to answer questions.
- Describe observations using scientific language.

Geography/History

As geographers and historians we will:

- Use maps and atlases to look at world map in terms of pirates and name and locate and label the 7 continents and 5 oceans.
- Think about where pirates would have sailed.
- Explore treasure maps: Use simple compass directions (North, South, East and West to describe the location of features and routes on a map) (Near, far, left and right)
- Explore the lives of famous pirates in history.
- Discover what life was like on a pirate ship.
