To be added to 'as and when'

Equipment		
Description	Quantity	Cost
General equipment order		£201

Staff CPD				
Course	For who	Delivered by	Cost	Impact
Football coaching and tournament	Year 3	Access Coaching	£150	Upskilling teachers by qualified coaches and team teaching. Lesson plans and ideas all provided.
Skipping	Year 2	Chris Cochrane	£250	30 children in Y2 attending the skipping festival representing the school, after weeks of coaching and CPD.
Handball	Year 3	Access coaching	£135	We believe in giving the chn an opportunity to take part in a variety of sports and in this case which results in local competition tournaments against other local schools. The chn thoroughly enjoy attending these and they wear the full AGFS strips representing the school.
Cricket	Year 2	Access Coaching	£300	
Cricket	Year 4	Access Coaching	£135	
Fencing	Year 4	Access Coaching	£140	
			£1,110	

Miscellaneous		
Description	Costs	Impact
Infinite playgrounds 30% deposit for playground overhaul (other 70% to be paid upon completion)	£6,811.50	One of the biggest developments that Appletree has undergone. The feedback from EYFS has been huge and they use the tree house as part of their daily planning and exploration. In the main yard the chn love the new equipment and the new design allows chn to access it all year round. Improvements to coordination, core strength and agility to name a few.
Infinite playgrounds remaining balance upon completion and signed off	£15,893.50	
OPAL North East playground developments	£2,125	The OPAL scheme has allowed chn to explore and play in a safe and fun way. We provide the chn with open ended equipment and areas such as sand pit, summerhouse, tyres and building resources. This improves the childrens resilience, teamwork and creativity.
Reception World cup	£75	Very positive impact, reception had been learning football skills in PE and this resulted in a full morning tournament with a focus on teamwork and fair play.
Jump start Jonny membership	£199	Ongoing daily 5minute physical activity.
Taylor Atherton fund raiser enrichment day full school.	£250	A full school enrichment opportunity allowing the chn to take part in a variety of sports activities which they have chosen. Combined with a celebration day for the Taylor Atherton Foundation
Dance festival costumes	£28.50	

Transport for dodgeball tournament year 3	£25	Many of the competitions and tournaments require travel. Where possible we walk or take public transport. However if it was not for the PE Sports Premium, many of these events we would not be able to attend. By having the funding, it allows a greater number of our children to have the opportunity to take part in competition.
Transport to Rising Sun Trial and Challenge	£180	
Transport to gymnastics level 2	£90	
Transport to gymnastics level 3	£150	
Transport to Year 4 Tag Rugby Tournament	£13.90	
	£25,841.40
